

# 2026 Family Cancer Retreat

You are not alone.

Come learn, connect with others who understand, and let us cover the rest.

Learn side by side with fellow survivors and families - from New Mexico's trusted oncology experts & community partners.

## The Retreat offers:

- 

**Guidance from Oncology Doctors, Surgeons, and Nurses**  
Guided sessions with New Mexico oncology experts covering treatment, side effects, family conversations, and self-care, including our highest-rated Ask the Oncologist Panels.
- 

**Opportunity to Connect with Others**  
Space to talk, listen, and connect with people walking a similar path. Leave feeling supported and hopeful.
- 

**Cozy lodging and meals**  
Rooms, meals, and all sessions are provided at no cost. Let us take care of you!

**FREE**
